JAMES T. O'KEEFE ASKED FOR USUAL ANNUAL VACATION

On Thursday James T. O'Keefe on behalf of the San Mateo County Bar Association made the usual motion in open court asking the Judge for the annual vacation during the month of July. The request was promptly granted. During July the court will hear no contested cases. He may sign orders and hear ex parte matters but no others.

The attorneys are preparing for their well-earned respite from their legal labors. Lee T. Ross is the first to depart. He leaves tomorrow for Atlanta City, Georgia, to attend the Elk's convention there. He will be absent for four weeks, spending the greater portion of the time in the east. He will be a delegate from San Mateo Elks lodge. Archer Kincaid will leave next week, accompanied by his wife, on a motor trip to Sequoia Park in the Sierras. After remaining there for some time they will motor to San Diego coming up the coast from there to their home some time the early part of August. Judge Buck will spend some part of July at Bartlett Springs. Judge E. F. Fitzpatrick is planning a trip to southern California. James T. O'Keefe is to spend two weeks with his family on the Russian river. F. A. Reynolds is to visit his boyhood home in Lake County for several weeks. J. J. Bullock is to remain at home preparing his cases for the August term of court. He has a large volume of business which will demand his attention during July. George C. Ross will spend some time at his ranch at San Gregorio while his son Hal will spend some time at Monterey and Santa Cruz. Albert Mansfield intends to spend some weeks on the coast fishing. Ray Lyon and Franklin Swart intend making short trips into the country during July. The San Mateo attorneys also contemplate taking brief vacations.

Her other daughter, Mrs. Mansfield, is spending some weeks on the coast fishing. Ray Lyon and Franklin Swart intend making short trips into the country during July. The San Mateo attorneys also contemplate taking brief vacations.

LOCAL TELEPHONES QUIET THIS WEEK

The fourteen operators in the local telephone office who will strike Wednesday and are still out having failed to reach a compromise with the company. Yesterday Mrs. Dickerson, the chief operator also struck. She was the first chief operator in the district to go out.

As a result of the break in the local service, merchants and business men are handicapped. However, all are with the girls as they know their cause is just. The telephone company has been known as a grasping, greedy corporation and it has little sympathy with the business men. It is hoped the operators will win the strike. The demands asked by the girls are that operators with a two years' experience receive a \$4 a day wage and beginners \$2 a day. This is only a reasonable demand and should be met by the company.

The local telephone office was picketed all day yesterday by the striking operators. Any one approaching the office was promptly besieged by the girls. They are on the alert for strike-breakers but up to a late hour last evening none appeared.

FRIENDS GATHER TO PAY LAST RESPECTS TO BROTHER

Wednesday afternoon the meeting chamber of Redwood Lodge F. and M. in Old Fellows hall was crowded by friends of the late Charles A. Jacobus who had gathered to pay their last respects to the departed pioneer. The beautiful and impressive Masonic funeral ceremony was conducted ably by W. A. Carroll. After this service the Eastern Star ritual was read by the members. P. P. Chamberlain, L. P. Behrens, Geo. McNulty, W. A. Price, M. E. Ryan and F. W. Gleason, old members of the deceased acted as pall-bearers. Many sorrowing relatives and friends followed the remains to Cypress Lawn cemetery where all that was mortal of an honest and upright man was consigned to the grave.

Mr. Jacobus passed away at his home here on Saturday morning. He arose as usual but not feeling well he went back to bed again and when his wife called for him for breakfast he found him unconscious. Dr. J. H. Dykes was sent for but on his arrival Mr. Jacobus had passed to the great beyond.

Charles Jacobus was born in New York, N. Y., on November 19, 1851. When he was three years of age, his parents came to California by way of the Isthmus of Panama. The family located first at Searsville on the land now covered by the Searsville Lake. The father took up farming and ranching and the young son, with his other brother assisted with the work.

In the seventies Charles worked in the lumber mills which at that time flourished on the mountain sides. In the early eighties he came to Redwood City and found employment with the late Claus Hadler at the "Old Corner," the historic store that stood at the corner of Main street and Broadway. In 1885 he engaged in the brewery business at the corner of Charter street and E. Camino Real. It was at this time that he married Miss Henrietta Heiner, daughter of Mrs. Caroline and the late H. O. Heiner and the couple built their home on Stambaugh street, where they had since resided.

The brewery business was not to Mr. Jacobus' liking and a few years later he started a messenger service between Redwood City and San Francisco. He carried on this business for over twenty-two years, and with the exception of Sundays and holidays never missed a single day's trip to the metropolis. He gave up the messenger business about 1910 and after a short rest accepted a position at the court house in this city. His eyes began failing him about this time and his family finally persuaded him to retire. He remained very active, however, and despite his affliction, took great interest and enjoyment in working about his home.

In addition to his widow, Mrs. Henrietta Jacobus, the deceased leaves two daughters, Mrs. Amy Rice and Miss Norma Jacobus, one brother and two grandsons. He was a member of the Woodmen of the World.

VERDICT OF \$850 RENDERED AGAINST COBURN ESTATE

A jury in Judge Buck's court on Tuesday morning gave a verdict in favor of Dr. N. D. Morrison for \$850 against the estate of Loren Coburn. Dr. Morrison attended the aged capitalist during his last illness, visiting him four times for which he made a charge of \$1000. The executor rejected the bill and the doctor brought suit to recover the fee. Ross and Ross represented the doctor in court and Eustace Callinan appeared for the Coburn estate. Dr. Severman and Dr. Chedister of San Mateo were called as expert witnesses for the defendant and said that the charge of \$1000 was a reasonable one.

She came here recently and purchased a lot in the Boyd & Kent tract, upon which she built a small portable tent house. It is said that she made a living by doing ironing for a number of wealthy families of Atherton.

THE CITY TRUSTEES HOLD BUSY SESSION

Considerable important business was brought before the City Board of Trustees last Monday evening. Among other matters the complaint against the unsightly condition of Mrs. Denmore's property on Grant street was settled. This matter has been before the Board on several occasions. At the meeting of the Board of June 2, the matter was referred to City Attorney Mansfield for a legal opinion. He stated that it is his belief that the nuisance is a private one and that the Board has no jurisdiction in the matter and that the complainants must seek relief in the civil courts.

Two propositions for liability insurance for the city automobiles were submitted, one by A. D. Walsh and one by C. D. Sweet, after discussing the matter thoroughly the question of insuring the machines was laid over for one week.

The California Good Roads Campaign Committee addressed a communication to the board asking its co-operation in the proposed \$40,000,000 State Highway Bond Issue. Trustee McNulty offered a strong resolution favoring the bond issue.

The Board granted the following 3 o'clock permits:
Young Bachelors of Redwood City, June 28.

Harmony Club, July 3.
Hall Association, F. of A., July 5.
Order of Druids, July 12.

Several complaints were made against the noise created by the hoodlum element attending some of the dances given in the past, and the Board decided to have a special policeman stationed near the buildings on the night of the dances, his fee to be paid by the Hall Association or the parties giving the dances. On several occasions parties leaving the hall at night with automobiles would go through the streets with mufflers open and horns blowing to the discomfort of the neighboring residents.

Several applications for liquor licenses were made, pending the outcome of the prohibition amendment which is to go into effect on July 1 of this year. Following are those who applied:

For wholesale licenses, (Class A) A. T. Chierici, William H. Warren, Genocchio Bros. and Geo. E. Stafford.
Cafes and Restaurants, (Class B) Redwood City Hotel Co., Hynding Estate, Paris Restaurant, Eureka Restaurant, Europia Hotel, Del Monte Hotel, Torrell & Garofoli.

No bonds were filed with any of the applications, due to the fact that the licensees are to be in effect on and after July 1, at which time, under the prohibition amendment, the State will go dry, and if the amendment is repealed before that time the liquor dealers will furnish the necessary bonds.

Trustee Ryan desired to go on record against the granting of a license to the Del Monte Hotel.

An ordinance was provided for the incurring of a bonded indebtedness in the sum of \$120,000, which was voted on recently, was adopted at this meeting, also a weed Resolution was adopted.

Resolution No. C-8 was adopted providing for the closing of certain streets in the Presidio tract.

A resolution, No. C-9, was adopted providing for the construction of a sewer system on Phelps and Cassia streets.

The Board adjourned to meet next Monday evening.

LOUIS GENOCHIO SOON TO BE UNITED IN MARRIAGE

Louis Genocchio, superintendent of the Frank Tanning company's plant here for a number of years and one of the best known men on the peninsula, is soon to desert bachelor ranks and become a benedict. This bit of news will come as a surprise to the many friends of the popular superintendent who supposed that he was a confirmed bachelor and would never desert those ranks. Early next month M. Genocchio is to lead a popular San Jose belle to the altar. She is a young woman of extreme beauty, fascinating, delightful conversationalist and an intellectual young lady.

Mr. Genocchio some weeks ago purchased the attractive home of E. R. Whitehead in Wilesburg Park which is being repaired and improved for the reception of the fair bride to be next month. The happy affair is being kept a secret but a little bird during the week disclosed the coming event and as a consequence Mr. Genocchio is being flooded with congratulations by his numerous friends throughout the peninsula and other places.

DEATH OF E. B. RYAN SAD NEWS TO HIS FRIENDS

Mrs. Mary Hull Shields of San Carlos has written the following personal sketch of the life and character of the late E. B. Ryan, formerly tax attorney for the Southern Pacific company. She was associated with him for eighteen years in the work of the office and naturally had a deep affection for him:

By the death of Mr. Emmons Blackburn Ryan, who with his family have spent the summer in Menlo Park for the last thirty years, the community has lost a good friend and neighbor, who knew him best as the simple unpretentious gentleman, who took a quiet interest in the affairs of the neighborhood, who loved each tree and flower with which his home was surrounded, who fed the birds each morning as they alighted on his shoulders. Everything in nature's realm appealed to him—and although business interests called him to the city, his heart was here in the country.

We knew, through long business association, of that brilliant, penetrating, analytical mind, that would not deceive nor be deceived, of that unquestioned integrity, of his personal magnitude and his keen sense of humor that made him the center of a host of friends.

He had a wonderful memory and a fund of good stories with an imitable way of telling the same, there was always a tale to adorn every point of his argument.

He was never too busy to help those to needed assistance to help themselves and many a man who is at the top of the ladder today owes his first position to Mr. Ryan. Widows and sons and daughters of old friends could call on him for aid and advice knowing he would give them a helping hand, which was always done.

One of his best works, for the benefit of his fellow employees, was the organization, in 1882, of the "Employees Mutual Benefit Association," an insurance company, conducted for and by railroad employees, now having a membership of several thousand.

Mr. Ryan, who originated and planned this association was its first president and has been elected to that office, continuously, ever since and who with the directors, have served, without remuneration all these years. His long useful life ended as he would have wished, quietly and peacefully—Kind friend, farewell.

HIRAM W. JOHNSON ENDORSED FOR PRESIDENTIAL CHAIR

The Republican party of the State of California is a unit for the nomination of Senator Hiram W. Johnson for the presidency. The people generally are behind him in his aspirations for the highest office in the gift of the voters. The genuine endorsement given him at the big meeting at the Palace hotel last Saturday shows how he is regarded in this state for which he has done so much. As Senator he has demonstrated his fitness for the presidency by his quick grasp of public affairs, his fearlessness in denouncing those things which he deemed unjust and unfair to the people. During his brief term in the upper house of congress he has displayed wonderful ability as a debater, thinker and a leader of men. His colleagues, many of whom have grown gray in the senate, have marveled at his keen grasp of affairs, his wonderful industry, tact and ability. Mr. Johnson will have a big following at the national Republican convention and there are many who believe he will receive the nomination. Senator Johnson would certainly make an ideal president, one that the people would delight in honoring.

LET HARMONY REIGN IN THE HOME CIRCLE

Home harmony is considerably more important than gaining a point. The brothers and sisters who argue and dispute over some trifling point, who do not agree till the entire atmosphere of the home is charged with friction, over-estimate the importance of getting the best of an argument. Home life must be harmonious to be happy, and wrangling is one of the chief factors in the destruction of harmony. Members of the same household always think alike, but if they cannot discuss their differences placidly, they had better keep them a profound secret. The worst of the wrangling that poisons the sweetness of so many homes is that it is trivial. The members of the family love one another. In essentials they agree. Should a crisis arise, they would stand shoulder to shoulder united by an unconquerable loyalty. But they allow matters of supreme insignificance to break the harmony and spoil the sweetness of the home life—the reservoir from which we derive strength for coming trial and inspiration for future efforts.

The art of forgetting is a blessed art, but the art of overlooking is quite as important. And if we should take time to write down the origin, progress and outcome of a few of our troubles, it would make us so ashamed of the fuss we make over them that we should be glad to drop such things and bury them at once in eternal forgetfulness. Life is too short to be worn out in petty worries, frettings, hatreds and vexations. Let us banish all of them and think on whatever things are pure and lovely and gentle and of good report.

THE SUPERVISORS HOLD MEETING

A map of Redwood Heights Quar-
ter Acres, previously submitted and
laid over until this meeting for
further consideration, was accepted
by the board, on motion of Brown,
seconded by Francis, and a resolution
accompanying the map and certifying
as to the rejection of the streets and
lanes in the above tract, was adopted
by the board.

The following bids were opened
for the purchase of the \$15,000 Hills-
borough school bonds:

	Premium
Carstens & Earles, Inc.	\$65.50
Blythe, Witter & Co.	75.50
McDonnell & Co.	75.00
Lumberman's Trust Co.	27.00
State Board of Control	50.00
Girvin & Miller	117.00

On motion of Brown, seconded by
Hickey, the bonds were ordered sold
to Girvin & Miller, their bid being
the highest one offered.

A resolution later presented by
Attorney A. H. Redington, represent-
ing the school trustees in the matter,
duly accepted the bid of the above
firm and authorized the clerk to re-
turn the certified checks to the un-
successful bidders, was adopted, on
motion of Brown, seconded by Francis.

Sherman Kimball, a resident and
property owner of Menlo Oaks, ap-
peared before the board to protest
against the proposed plan of turn-
ing the base hospital connected with
Camp Fremont into a public health
institution. Kimball agreed to cir-
culate such a petition for the benefit
of the board.

Chairman MacBain suggested that
the proper proceedings to get the

matter properly before the supervi-
sors would be to have a written pro-
test signed by as many of the resi-
dents as possible in the district affect-
ed by the establishment of the hospi-
tal. Kimball agreed to circulate
such a petition without delay.

A petition signed by C. D. Hay-
dock and a large number of other
taxpayers of San Carlos, was pre-
sented, asking the board to take
the necessary action to establish
permanent grades for sidewalks and
streets at that place.

On motion of Brown, seconded by
Francis, the petition was ordered
placed on file and the county sur-
veyor was instructed to proceed with
the work of establishing the above
grades, as asked for.

A communication was received
from B. P. King in reference to a pe-
tition that had been sent to the
board some two weeks ago protesting
against the purchase of the twenty-
acre tract at Beresford for the new
county hospital site. In the petition
which was read at the meeting, it
was argued that the erection of the
hospital on the proposed site would
be a detriment to the adjoining prop-
erty.

On motion of Brown, seconded by
Hickey, the communication and pe-
tition were ordered filed and the
clerk was directed to write M. King
and notify him that the board had
already taken action to purchase the
site at Beresford for the new county
hospital.

A communication was received
from Carl Erath of San Francisco
complaining about a drainage pipe
that had been constructed across the
Holberton property across from
Whipple Avenue in the Second Town-
ship and which was overflowing on to
his property, thereby causing, he
claimed, considerable damage.

Supervisor Brown in whose dis-
trict the property in question is lo-
cated, addressed the board and stated
that the pipe had been laid at the
time the old Whipple Avenue road
had been constructed and that the
flotation could be remedied by cut-
ting the course of the ditch used to
convey the water from the pipe. On
Supervisor Brown's motion, seconded
by Supervisor Hickey, the matter
was left in the hands of the superi-
sor of the Second District and the
county surveyor.

County Purchasing Agent Ernest
Werder presented a check amounting
to \$2.84 from a San Francisco in-
surance company covering a refund
on the insurance carried by the late
George Lowans, county traffic of-
ficer.

A communication was received
from the California State Cam-
paign Committee thanking the board
for the appropriation voted at the
last meeting of \$500 toward the ad-
vertising campaign fund for the
\$40,000,000 bond issue.

Chairman MacBain took up with
the board at this time the question
of advertising the above bond issue
in the papers of the county. He
stated that he had received copies of

display and reading advertisements
from the general publicity committee
with a request that the matter be
given as much prominence as pos-
sible during the next two weeks in
order to insure the success of the
bonds when they are voted upon at
the election July 1.

Realizing the necessity of getting
the proposition before the people in
the proper form, the board on motion
of Brown, seconded by Francis, de-
cided to expend \$135 out of the \$500
appropriation already mentioned to
advertise the bond issue in the nine
papers of the county, each paper to
receive \$15 for two insertions of the
display.

Chairman MacBain addressed the
board relative to the special police
situation in Menlo Park. He stated
that Officer Brown had resigned on
May 15, and that Officer Maloney had
been retained to cover all the work
with the understanding that he was
to receive a salary of \$125 for the
month of June. The action of the
chairman in the matter was approved
by the board.

Supervisor Hickey addressed the
board relative to the claim of \$200
that was on file covering the pur-
chase of a bull for the county farm.
He stated that the animal was regis-
tered and in his opinion well worth
the purchase price. The claim was
referred to the finance committee.

The question of stock at the county
farm having been brought up at the
meeting Superintendent Eubanks
was directed to have a report ready
at the next meeting of the board
showing the total number of stock on
hand, together with a report covering
the expenditures for feed for the ani-
mals during the past year.

Superintendent of Schools Roy W.
Cloud presented affidavits showing
due publication of notice of special
election in the Burlingame school dis-
trict to vote a tax of \$19,200 for a
new school, and also a report of the
trustees of said district certifying
to the holding of the above election
and its carrying and asking the board
to levy a special tax in September in
accordance with the law to make pro-
vision for the new school building.

Chairman MacBain announced that
the terms of S. P. McCrea of Red-
wood City and W. J. Savage of Colma
as members of the County Board of
Education had expired and that
"he was now in order to elect their suc-
cessors."

S. P. McCrea was placed in nomi-
nation by Thompson and Hickey, and
W. J. Savage by Francis and Thomp-
son. Attorney Lee T. Ross and J. D.
Hedge were named as tellers and the
vote resulted as follows:

S. P. McCrea 4 Votes
W. J. Savage 4 Votes

Attorney Lee T. Ross addressed
the board in the interest of the cam-
paign that has been started to raise
the salaries of the teachers of the
county. Ross asked the supervisors
to meet with the teachers at a special
session on June 30 in order to take
up the matter, the attorney prom-
ising to have facts and figures ready

at the time, showing how the in-
crease could be brought about.

The board after discussing the
matter, agreed to meet with the
teachers on the above date. Chairman
MacBain suggested that as many of
the school teachers as possible be
present at the meeting.

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Grand President of the Native Daughters May Bell has appointed Frances E. Maloney a district deputy in and for San Mateo county. It will be her duty to install all the officers of the various parlor of the county twice a year.

Mr. Zobel of San Francisco has purchased the Schlesinger place back of Atherton and has already taken possession of the property.

A workman for the Dolan Wrecking company had his leg broken on Thursday. The team he was driving ran away and he was thrown out. The unfortunate man was removed to the base hospital.

Mr. and Mrs. H. Clarke of San Francisco were week-end visitors of Miss Evelyn Gage. They intend to locate here.

George Jenkins, for a number of years foreman at the B. A. Farney place at Atherton, was seriously injured at the Schaw-Batcher ship yards on Wednesday. He was struck on the back by a falling sack of sawdust, dropped from above by a fellow workman. He is now at his home in San Mateo.

John McNally suffered a severe loss last Tuesday when his grain field at San Carlos was burned. He owned the crop of barley on the aviation field there. The burning started in an adjoining ranch which spread and before it was put out burned nearly half of Mr. McNally's crop. The loss is a serious one.

Paul Reinwald, houseman for C. W. Maxwell, has invented a safety platform for cleaning windows. Housewives need no longer be afraid of falling when washing their windows. During the week Mr. Reinwald applied for a patent. He has already

been offered a large sum for the invention.

The annual retreat for the clergy of the archdiocese will be held at St. Patrick's Seminary in July. The conferences and other exercises will be given by the Rev. Edward Fitzgerald, O. P., of the Dominican House of Studies, Washington, D. C. The retreat for the pastors will commence Monday, July 7, and that for the assistant clergy on Monday, July 14.

Mr. Charles Seminary, The Sacred Heart Convent and St. Patrick's Seminary closed for the summer vacation during the week, the pupils going to their respective homes throughout the state.

During the week the Menlo Park fire department was kept on the jump fighting fires. The dry grass has caused a number of conflagrations in this community. On Tuesday the department was called to the old Partridge place where a fire started in the barn. Before the fire boys arrived the flames had gotten such a headway that nothing could be done to stop the fire. The structure was burned together with a horse that the owner neglected to remove from the building when the fire started. The Maxwell tank house on Selby lane was also destroyed by fire. Owing to the telephone strike the department was unable to reach the scene of the blaze in time to render assistance and the tank and frame was destroyed. Property owners should burn the dry grass on their premises, by so doing there would be less chance for a fire.

Miss Pauline Gilest graduated from the State Normal school at San Jose on Wednesday evening having completed a course of three years. She has already secured a school, having been appointed a teacher in the Miramar grammar school. Miss Gilest's home is at Halfmoon Bay but during the time she attended the Normal she lived here with her aunt, Mrs. James T. O'Keefe.
